Summary of CV

This section describes briefly a summary of your career in science, academic and research; the main scientific and technological achievements and goals in your line of research in the medium -and long- term. It also includes other important aspects or peculiarities.

Mi carrera científica empezó en 2014, durante mi último año en el Grado de Ciencias Ambientales de la Univ. Pablo de Olavide (UPO), donde obtuve una beca de iniciación a la investigación de 5 meses. Este periodo me estimuló a realizar el máster "Biodiversidad y Biología de la Conservación". Entre 2015 y 2021 realicé el doctorado, durante el cual realicé estancias en la Univ. Federal de Pernambuco, Univ. Autónoma de Madrid, y una virtual en la Univ. de Coimbra. He colaborado en artículos relacionados con diferentes aspectos (filogeográficos, taxonómicos, cromosomáticos, conservación...) de la familia de las ciperáceas, especialmente género *Carex*, y otros organismos (briófitos). He organizado y realizado **campañas de colecta de material vegetal** dentro de la Península Ibérica (Sistema Central, Pirineos...) e internacionales (isla Réunion -Islas Mascareñas- y Sudáfrica). También estuve trabajando en el herbario de la UPO (2016) en el prensado, secado, montaje, almacenamiento y conservación del material vegetal. He publicado un total de **21 artículos científicos** (18 con impacto internacional), **un capítulo de libro** y **un libro**, y tengo un **índice h 8**. He contribuido como **revisor de 11 artículos** para revistas de alto impacto, además de **2 revisiones para la lista roja de la IUCN**. Respecto a la **divulgación**, cabe mencionar la publicación del libro "Plantas silvestres y ornamentales del campus de la Universidad Pablo de Olavide", así como la organización del "I Biomaratón de Flora Española" y realización de talleres para el mismo en la Univ. Autónoma de Madrid, así como la participación en la Feria de la Ciencia en Sevilla. En cuanto a la **docencia**, he impartido clases prácticas en la UPO (total de **18.7 ECTS** hasta la fecha) y he tutelado a estudiantes internos y de fin de grado en el área de Botánica de la UPO.
